

BLACK FOREST DOODLES

APPLICATION

I. Getting to know you... .. Questionnaire

THANK YOU for your interest in one of our puppies. I know, I know, this is for YOUR prospective puppy but in my eyes... they will always be a part of our family. These are our babies babies... It is of the utmost importance that we place these little ones in not just good homes, but GREAT homes. Please understand that first and foremost we breed our dogs for excellence in structure, temperament, health and early training. We do NOT breed our dogs to conform to a popular color standard. In proceeding with Black Forest Doodles you are of that same frame of mind, and are looking for excellence in breed first and color last. Please answer the following as truthfully as possible.

II. Temperament

· *You understand and agree that each puppy is unique and individual and possess a unique personality. Each of our pups is temperament tested and we will make recommendations based on your lifestyle as to which puppy would fit your situation best. We do not offer "pick of the litter" for this specific reason, and puppies will not be assigned to families until 6 weeks of age at the earliest. We do keep a list, in order of deposit received, and will give puppy buyers a choice of at least 2 pups that meet with their families lifestyles/goals. If we do not have a puppy in the litter that will meet with the lifestyle you lead, we will give you the option to receive a refund of your deposit or a transfer to the top of the list for our next litter.*

III. Visits

· *You understand and agree that puppies are raised by Black Forest Doodles in our private home. We offer home visits of puppies at 4 and 7 weeks of age, with a pick up between 8 and 10 weeks of age, decided on a case by case basis based on the development of each individual puppy. You agree to respect our home environment and visit only on pre-arranged dates and times. You also understand and agree that should you not be able to take possession of the puppy within the pre-arranged time a boarding fee of \$45.00 per day will be applied to your final payment, this must be arranged prior to your 7 week visit.*

IV. Maintenance

· You understand that there is maintenance required with the dog you are looking to adopt (as with any pet.) Doodles require a bit of extra attention in this arena as their curly hair can matt and become uncomfortable and even painful for the dog. You agree to provide the dog with regular brushing/grooming as needed to keep their specialized coat in top condition.

· You understand and agree that Black Forest Doodles recommends waiting to Spay/Neuter your pet until they are 24 months of age as it takes that long for the dog to fully mature (ie. Growth plates to close, hormones to develop.) Spaying/Neutering the animal before the age of 24 months will void your health guarantee as health issues have been connected to early spay/neutering.

· You understand and agree that a licensed veterinarian must see your puppy no later than 3 business days following the agreed upon pick up day. If you fail to have your veterinarian health check your puppy within this time frame the health guarantee will be considered null and void. Proof of said visit must be provided to Black Forest Doodles. Should your veterinarian find an issue regarding the health of your puppy a second opinion will be obtained by a veterinarian of Black Forest Doodles choosing.

VI. Non-Breeding Agreement

You understand the dogs bred by Black Forest Doodles are intended as pets only, we require our dogs be spayed/neutered at the appropriate time and under no circumstance is the dog you adopt to be used for breeding services. A \$30,000.00 Fine will be enforced if there is breach of this agreement and legal action will be held in the place of Black Forest Doodles choosing. We require proof of spay/neuter from your veterinarians office no later than six weeks following the second birthday of the dog you are adopting. You agree to provide proof of such in writing, and signed by your veterinarian.

You understand and agree that dog you are purchasing has passed rigorous health testing and has been cleared of over 170 common health issues recognized by their specific breed(s), however, there are many diseases/illnesses that are environmental as well as hereditary, these include but are not limited to hip dysplasia and cancer. Any dog, regardless of health testing can come down with an environmental disease/illness. The 2 year health guarantee covers the 170 health issues shown in your pets embark panel.

Should your pet come down with one of these 170 illnesses Black Forest Doodles will cover veterinary costs not to exceed the purchase price of the animal. You must provide proof of said veterinary costs. Should Black Forest Doodles find these costs to be unusually high a second opinion will likely be obtained and any procedures shall be conducted by the veterinarian of Black Forest Doodles choosing.
